MASTER OF ARTS | 30 CREDITS

We have been delivering interactive, innovative, and personalized online learning for over a decade. Our courses are designed to meet the needs of pre-service and in-service teachers of any target language working in a wide variety of settings: public school, private school, higher ed, military, business, etc., in the U.S. and overseas.

Complete the program from anywhere in the world at a pace that works for you. Most students graduate in about three years while working full-time. They advance their careers, improve their methods, design materials and curricula for other teachers, and frequently move into leadership positions.

MICHIGAN STATE UNIVERSITY

You ask a lot of questions.

We like that.

How much are your students actually learning? How well are you serving learners with special needs? Are your tech skills up to date? What really leads to language acquisition, and how do we know?

It's time to get some answers.

KEEP CALM AND KEEP LEARNING ONLINE
